Application for a Disposal Works Installer's Permit To construct, alter or repair individual sewage disposal systems

In conformity with the State Environmental Code Title V 310 CMR 15.02 (2) Disposal Works Installer's Permit-No person or firm shall engage in the construction, alteration, installation, or repair of any individual sewage disposal system without first obtaining a Disposal Works Installer's Permit from the Board of Health. Such permits shall expire at the end of the year in which they are issued unless earlier revoked for cause by the Board of Health.
