Municipal Calendar

Monthly Guide for Local Officials – October 2010

Introduction

The Division of Local Services has compiled this Municipal Calendar to help guide local officials through the fiscal year and to reinforce the financial team approach. The Calendar is a quick reference tool for new and experienced finance officials alike providing information for key dates in the municipal fiscal cycle. The Calendar will be reissued when date changes, additions or deletions necessitate a new publication. By highlighting the activities requiring interaction and coordination among different finance officials, this calendar is intended to assist your finance team with effective financial management.

We have also included the Informational Guideline Release (IGR) 10-302, Fiscal Year 2011 Payment Schedule for Cherry Sheet Programs, at the end of the booklet. This schedule details when payments will be made and assessments will be deducted from local aid distributions for each Cherry Sheet program.

We hope you find this Municipal Calendar useful and welcome your comments and suggestions.

For more information please call the Division of Local Services (DLS) at (617) 626-2300. Our Internet address is www.mass.gov/dls.

Aug		
1	Taxpayer	<p>Quarterly Tax Bills — Deadline for Paying 1st Quarterly Tax Bill Without Interest According to M.G.L. Ch. 59, Sec. 57C, this is the deadline for receipt of the 1st Quarter preliminary tax payment without interest, unless the preliminary bills were mailed after July 1. If mailed by August 1, the 1st Quarterly payment is due August 1, or 30 days after the bills were mailed, whichever is later, and the 2nd Quarterly payment is due November 1. If mailed after August 1, the preliminary tax is due as a single installment on November 1, or 30 days after the bills were mailed, whichever is later.</p>
1	Taxpayer	<p>Annual Boat Excise Return Due</p>
1	Accountant	<p>Notification of Total Receipts of Preceding Year The total actual local receipts (e.g., motor vehicle excise, fines, fees, water/sewer charges) of the previous fiscal year must be included on Schedule A of the Tax Rate Recapitulation Sheet (Recap) which is submitted by the Assessors to DOR. On the Recap, the Accountant certifies the previous fiscal year's actual revenues, and the Assessors use this information to project the next fiscal year's revenues. Any estimates of local receipts on the Recap that differ significantly from the previous year's actual receipts must be accompanied by documentation justifying the change in order to be approved by the Commissioner of Revenue.</p>
10	Assessors	<p>Deadline for Appealing EQVs to ATB (even numbered years only)</p>
10	Assessors	<p>Deadline for Appealing SOL Valuations to ATB (every 4th year after 2005)</p>

15	Assessors	<p>Deadline to Vote to Seek Approval for Authorization to Issue Optional Preliminary Tax Bills For semi-annual communities issuing optional preliminary property tax bills, the Assessors must vote to seek authorization to issue the bills from DOR by this date. After receiving approval, Assessors must submit a Pro-forma Tax Rate Recap Sheet to DOR for review and issue the tax bills by October 1.</p>
31	DOR/BOA	<p>Issue Instructions for Determining Local and District Tax Rates A copy of the Tax Rate Recap Sheet and its instructions are forwarded to the community.</p>
31	Assessors	<p>Begin Work on Tax Rate Recapitulation Sheet (to set tax rate for semi-annual bills) Until the Tax Rate Recap Sheet is completed and certified by the Commissioner of Revenue, the community may not set a tax rate nor send out its property tax bills (unless it issues preliminary quarterly tax bills or requests from DOR the authority to send out preliminary tax notices if DOR requirements are met). Communities should begin gathering the information in enough time for the tax rate to be set and tax bills mailed by October 1. The Tax Rate Recap Sheet provides Mayors or Selectmen with a ready-made financial management tool because the town's most important financial management information is summarized on this form. The Mayor or Selectmen should review the Recap Sheet in preliminary form in order to understand the following financial information:</p> <p>Page 1 (Tax Rate Summary) — The proposed tax levy should be compared to the levy limit. If a community does not levy to its limit, the remaining levy is referred to as excess levy capacity. Excess levy capacity is lost to the community for the current fiscal year although it will always remain in the levy limit calculation.</p> <p>Page 2 (Amount To Be Raised) — This section includes appropriations and other local expenditures not appropriated. These include overlay deficits, revenue deficits, state and county charges, Cherry Sheet offset items, and the allowance for abatements and exemptions. By comparing this information to the prior year(s), any significant changes can be determined.</p> <p>Page 2 (Estimated Receipts & Revenues From Other Sources) — In particular, Section C shows the amount appropriated from free cash and other available funds. By comparing the amounts appropriated to the balances in these accounts (available from the Accountant/Auditor), the Mayor or Selectmen can get a sense of how their non-property tax revenues are being used.</p> <p>Page 3, Schedule A (Local Receipts Not Allocated) — By comparing these figures to prior year(s), the Mayor or Selectmen can determine any changes in these revenues.</p> <p>Page 4, Schedule B (Certification of Appropriations and Source of Funding) — This section includes financial votes of City/Town Council or Town Meeting not previously reported on last year's recap.</p>

Sept

15	Accountant/ Assessors	<p>Jointly Submit Community Preservation Surcharge Report This report (CP-1) is a statement of the prior year's net Community Preservation Surcharge levy, and is used to distribute state matching funds on October 15.</p>

30	Taxpayer	<p>Deadline for Submitting Forest Land Certification and Management Plan, M.G.L. Ch. 61 According to M.G.L. Ch. 61, Section 6, this is the deadline to submit to the Assessors the State Forester's certification and approved management plan in order to have the land valued as classified forest land in the next fiscal year.</p>

30	Accountant	<p>Submit Snow and Ice Report This report is a statement of snow and ice expenditures and financing sources.</p>
30	Treasurer	<p>4th Quarter Reconciliation of Cash for the Previous Fiscal Year (due 45 days after end of quarter or upon submission of a balance sheet for free cash/excess and deficiency certification, whichever is earlier) A reconciliation is the process of comparing the Treasurer's accounts to the Accountant's/ Auditor's or Schools Business Manager's ledger balance to determine if they are consistent, and for the officials to make any necessary corrections. When the reconciliation is complete, the Accountant/Auditor/School Business Manager should indicate agreement with the Treasurer's balances. Reconciliations are required every quarter by DOR, but communities and school districts should reconcile monthly for their own purposes. The fourth quarterly report as of June 30 must be completed and returned to DOR. The first three quarterly reports of the fiscal year should be completed timely and filed in both the Treasurer's and Accountant's/Auditor's or School Business Manager's offices for possible BOA inspection or audit. Municipalities and school districts may also use these reports to monitor cash practices of the Treasurer's office. If the Accountant/Auditor/School Business Manager and Treasurer are not consistently reconciling cash accounts, or if the reconciliations indicate variances, the Mayor, Selectmen or School Committee should inquire as to the reasons.</p>
30	Treasurer	<p>Submit Statement of Indebtedness Massachusetts General Laws Ch. 44, Sec. 28 requires the Director of Accounts to maintain complete and accurate records of indebtedness by cities, towns and districts. This statute also requires Treasurers to furnish any other information requested by the Director in respect to the authorization and issuance of loans. This Statement is the annual report required from Treasurers to accomplish this purpose. Treasurers should reconcile their debt records with the Accountant/Auditor before filing the Statement of Indebtedness to ensure that the Statement and balance sheet are in agreement.</p>
30	State Treasurer	<p>Notification of Quarterly Local Aid Payments on or Before September 30 When local aid payments are transmitted to communities, the cover letter indicates what funds will be made available, less quarterly assessments (see Cherry Sheet attachment for details).</p>

Ch. 59, Sec. 57C, this is the deadline for receipt of the preliminary tax payment without interest in communities using the annual preliminary tax billing system, unless the bills were mailed after August 1. 1	Taxpayer	<p>Deadline for Applying to Have Land Classified as Agricultural/Horticultural Land or Recreational Land, M.G.L. Ch. 61A and Ch. 61B. According to M.G.L. Ch. 61A, Sections 6 and 8, and Ch. 61B, Sections 3 and 5, this is the deadline to apply to Assessors to have land valued, taxed and classified as agricultural/horticultural or recreational land in the next fiscal year, unless a revaluation program is being conducted for that fiscal year. Under M.G.L. Ch. 59, Section 38 and DOR guidelines, Assessors must review all property valuations and make adjustments to ensure current fair cash valuations every year. Because a revaluation program is being conducted every year, taxpayers who do not submit their applications by October 1 have until 30 days after the actual tax bills for the fiscal year are mailed to apply.</p>
15	Superintendent	<p>Submit School Foundation Enrollment Report to DESE</p>
31	Accountant	<p>Submit Schedule A for Prior Fiscal Year This report is a statement of the revenues received, expenditures made and all other transactions related to the community's finances during the previous fiscal year. The Schedule A classifies revenues and expenditures into detailed categories that will provide information essential for an analysis of revenues and expenditures generated by various departments. This data, like other financial information reported to DOR, is entered into DOR's Municipal Data Bank; as such, the Department may provide time series, comparative and other types of analyses at the request of a city or town. This information is also sent to the US Census Bureau and eliminates a prior federal reporting requirement. Failure to file by October 31 may result in withholding major distributions of state aid until the Schedule A is accepted by BOA.</p>
31	Selectmen	<p>Begin Establishing Next Fiscal Year Budget Guidelines and Request Department Budgets</p>
31	Assessors	<p>Begin Work on Tax Rate Recapitulation Sheet (to set tax rate for annual preliminary tax bill communities) A community that uses the annual preliminary tax bill system (on a quarterly or semiannual basis) should begin gathering tax recap information in order to have enough time for the tax rate to be set and tax bills mailed by December 31. 30 Assessors

Submit Annual Report of Omitted or Revised Assessments

30 Assessors

Last Day to Submit Requests for Current Fiscal Year Reimbursements of Exemptions Granted Under the Various Clauses of Ch. 59, Sec. 5

If an exemption is granted to a residential property owner, the property tax is lowered, and the city or town collects fewer tax revenues than anticipated. These exemptions are partially reimbursed by the state as indicated under "Payments for Loss of Taxes," section B of the Cherry Sheet.

It is the responsibility of the Assessors to submit all exemptions to DOR so that the community may be reimbursed for statutory exemptions. If the Assessors fail to submit a request, the community's loss of tax revenues will not be offset by exemption reimbursements from the state. These reimbursements may not be filed retroactively for any year.

If tax bills are mailed late, assessors may submit requests for reimbursement until August 20.
