Paul Zakrzewski, member  
Michael Cunningham, member  
Jack Pistorino, Deputy Assessor

The meeting was recorded via digital recorder.

The meeting opened at 10:38am

The auditing firm indicated that since the minutes from April 5<sup>th</sup> & September 6<sup>th</sup> only had minor clerical errors, they would not be submitting a formal request to correct them.

The Board indicated they should be left as-is.

Discussion ensued on the November 1<sup>st</sup> minutes. These minutes will be tabled until the corrections are made.

The minutes for December 6<sup>th</sup> were discussed. The full transcript was preferred over the condensed version. At one point during the December 6<sup>th</sup> meeting, two people were talking at the same time, rendering it difficult to hear. After a lengthy discussion a correction was suggested. These minutes will be tabled until the correction is made.

The open session minutes from January 3<sup>rd</sup> were discussed. A correction was suggested on the wording of one section. These minutes will be tabled until the correction is made.

The executive session minutes from January 3<sup>rd</sup> were briefly discussed. These minutes will be tabled until a future meeting.

**Motion by Paul Zakrzewski, seconded by Mike Cunningham to adjourn meeting. Unanimous vote in favor.**

The meeting adjourned at 11:50am.
