

Abington School Project - Working Group Mtg March 7, 2014

FR: Mary Mahoney
TO: Abington School Building Committee members
CC: Scott Dunlap (Ai3), Troy Randall (Ai3)

All,

The Working Group Meeting conducted on March 7, 2014 focused on documentation coordination for response to MSBA's Preferred Schematic Solution Supplement review comments. No new business or design concept advancement was discussed so there will not be meeting notes issued for the session.

Once our response to MSBA is formalized, I will forward the document for your information.

Regards.

Mary Mahoney, Project Manager
