

Substance Abuse Education and Prevention

Opioid Abuse — The Modern Day Epidemic *Presented by Steve Nikolsky, LICSW*

Tuesday, September 8, 2015, 7p.m. Abington
Town Hall, Cotter Room

**South Shore Hospital's Manager of Clinical Social Workers
will discuss the following during this presentation:**

1. State and nationwide opioid abuse statistics
2. How to recognize opiate/opioid abuse and dependence
3. The Massachusetts response to opiate/opioid abuse
4. The use of Narcan/Naloxone to battle opiate overdoses
5. Current trends in opiate/opioid treatment

This presentation is part of the ongoing education and prevention campaign with the Abington Substance Abuse Coalition in partnership with the Education Quarterly Series presented by the South Shore Hospital through the Abington Health Department. Open to the Abington community.

A program of
**South Shore
Hospital**

**South Shore Visiting
Nurse Association**
