

Substance Abuse Education and Prevention

South Shore Hospital's Manager of Clinical Social Workers will discuss the following during this presentation:

- State and nationwide opioid abuse statistics
- How to recognize opiate/opioid abuse and dependence
- The Massachusetts response to opiate/opioid abuse
- The use of Narcan/Naloxone to battle opiate overdoses
- Current trends in opiate/opioid treatment

Light refreshments will be served.

Tuesday, September 27, 2016 | 5:30 – 7 p.m.

Abington Library

600 Gliniewicz Way, Abington

Please call Shannon Kelly at (781) 624-7423 for more information.

Presented by Steve Nikolsky, MSW, LICSW

Manager of Clinical Social Workers

South Shore Hospital

This presentation is part of the ongoing education and prevention campaign with the Abington Substance Abuse Coalition in partnership with the Education Quarterly Series presented by the South Shore Health System through the Abington Health Department. Open to the Abington community.
